Baltimore, June 4 1886.

I A. Brons master of Ger S.S. Vesel of Bremen do solemnly swear that said Steamer sailed from Bremen on May 19 86 and on the 24th of ins Franz Meckel a passenger on said Steamer committed Suicide by jumping over board and that previous to said act the said Franz Meckel had shown no signs of insanity either by drinking or otherwise and I have no donat that said act was deliberate Suicide.

The first information of the act was received from his Son upon which every effort was made to save him but without success

A. Brons

Sworn to this 4 day of June 1886. before me

Custom House Balto June 4th 1886

It appearing from the above affidavit that there was nothing in the case to cause the officers of the vessel to suspect that the passenger was insane, or to put them on their guard to exercise special precautions to prevent him from making an attempt at Suicide, I am of opinion that his death by jumping overboard cannot be regarded as a death under such circumstances as calls for the payment of the fee of $10- prescribed by Section 10.
